

**Resolution of the Town Board**

**Town of Brooklyn, Green County WI**

**Resolution # 02-13-2017**

**Adopted: 02/13/2017**

**Title: Resolution recommending that the Green County Board of Supervisors Commission a high-speed internet committee to encourage faster, more reliable internet options within Green County**

Whereas, the internet has grown to permeate all aspects of the economy and society; and

Whereas, modern developments through the internet have also widened the opportunities for business and professional developments; and

Whereas, reliable, high speed Internet is an essential resource shared by all residents, tourists, businesses and municipalities;

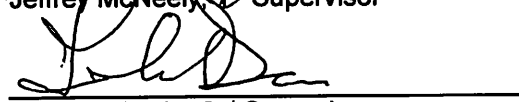

Whereas, students, residents and business owners are already experiencing lost connections and slow transfer/upload speeds;

Whereas, the growth of business and tourism and increases in home values depend on the availability of high-speed Internet service;

Therefore, be it resolved that the Brooklyn Town Board hereby recommends that the Green County Board of Supervisors join with communities in Green County to bring high-speed, reliable Internet options to Green County.
